CITY OF REDLANDS

Animal Shelter Receives Donations

The Redlands Animal Shelter recently made a request for donations to help cover the increasing cost of spay/neutering the animals adopted from the shelter. To date, the animal shelter has received over \$15,000. The generosity of our community has assisted the shelter to keep the cost of adopting a new pet to a minimum.

The Pet of the Week and other animals available for adoption may be viewed on the City's website—follow the links to the Police Department, then to the Animal Shelter.

Winter Youth Basketball is a SLAM Dunk

With over 19 teams participating in the 2009 winter youth basketball league, this season is shaping up to be one of the most successful in recent years.

The leagues promote the philosophy that every child is a winner. In all of the leagues every child gets a trophy. The children and parents are introduced to the sport, its rules and the etiquette on and off of the court.

Games are played every Saturday from 9:00 a.m. – 7:00 p.m. at the Redlands Community Center through March 7, 2009.
