### Megan's Law Information

California Megan's Law provides the public with certain information on the whereabouts of sex offenders so that members of our local communities may protect themselves and their children. Megan's Law is named after seven year old Megan Kanka a New Jersey girl who was raped and killed by a known child molester who had moved across the sreet from the family without their knowledge. In the wake of the tragedy, The Kanka's sought to have local communities warned about sex offenders in the area. All states now have a form of Megan's Law.
