

REQUEST FOR COUNCIL ACTION

SUBJECT: WACKENHUT CONTRACT AMENDMENT

MOTION: I move to approve the Amendment to the Agreement between the City of Redlands and Wackenhut for the provision of jail services, and authorize Mayor to execute amendment.

DISCUSSION:

In September 1999, the City of Redlands and Wackenhut executed an agreement for the provision of jail services. Security guards are hired and scheduled by Wackenhut to supervise the Police Department's jail facilities, transport prisoners and assist with booking procedures. The use of contract jailers decreases the amount of time police officers spend in the station and increase proactive patrol time. When executed, the original contract contained a provision allowing for an annual increase of three to five percent. This amendment adjusts the amount of the contract by four percent (4%) or \$6,869 from \$171,718 last year to \$178,587.

FISCAL IMPACT:

The contract is already included in the 2006/07 budget from a combination of the Byrne JAG grant and the general fund.
