

## **Report graffiti and blight**

The City of Redlands has instituted a 24-hour hotline and e-mail address to report graffiti and blight.

The hotline will allow citizens to report blight and graffiti issues including errant shopping carts and illegal signs throughout the community.

A part-time city employee will work along with community volunteers as well as juveniles and adults mandated to perform community service cleaning up reported areas.

The 24-hour hotline number is (909) 335-4715. Residents can also report blight issues by email at [blight@redlandspolice.org](mailto:blight@redlandspolice.org). Graffiti can also be reported at [graffiti@redlandspolice.org](mailto:graffiti@redlandspolice.org).
