Be A Community Hero!

Our community volunteers focus on taking care of their peers by providing high-energy, positive activities and fun educational awareness campaigns. Some of the opportunities include but are not limited to: office help, sports officials, coaches, scorekeepers, marketing promotions, special events, and community projects. This is a great way to get job experience or to try something new. Hours count toward club, church, and school community service hours. Meetings are held every second and fourth Tuesdays of each month at 4:30pm. Call Theresa Lake at (909) 798-7572 ext. 5 for more information.
