

THE CITY OF REDLANDS' CITY COUNCIL IS SEEKING MEMBERS OF THE PUBLIC FOR A UTILITY ADVISORY COMMITTEE FOR A WATER AND WASTEWATER UTILITIES RATE STUDY.

The Utility Advisory Committee will assist the City Council in undertaking a water and wastewater utilities rate study. The City Council's goal in forming the committee is to provide a direct avenue of communication between the Council and the community. The committee will examine different approaches to establishing water and wastewater rates, promote an understanding and appreciation for different points of view, and finally, build consensus that will ensure a balanced approach to divergent interests in the community concerning water and wastewater rates. Committee member responsibilities will include regular attendance at all committee meetings, review and study of information presented, and active participation in discussion.

Rate study duration: Approximately 4 months
Number of meetings: 4 to 6 meetings
Frequency: Bi-weekly (Thursday evenings from 6 pm to 8 pm)

If you are interested in participating, please submit the following information by April 16, 2008 to the City of Redlands, Municipal Utilities & Engineering Department, 35 Cajon St. Ste. 15A, Redlands, CA 92373. Questions should be directed to Chris Diggs, Water Resources Manager, at (909) 798-7658.
